

# SAFE BUSINESS EVENTS AT MERCURE CONGRESS CENTRE

**Mercure team has done everything possible and impossible to provide our guests with reliable protection and maximum safety.**

Safety measures taken at Mercure Congress Centre – to your attention

# SAFETY MEASURES

- **VOICE AIR WARNING ALERT**

Available everywhere at halls of Mercure Congress Centre and public zones (corridors, toilets, smoking rooms)

- **SERVICE STAFF**

All the visitors get brief instructions on safety measures and shelter location. During air raids the participants of business events accompanied by Mercure coordinators and guards quickly move to equipped shelters.

- **EQUIPPED SHELTERS**

Shelters equipped with sufficient drinking water and foodstuffs, electricity and light, ventilation system are provided for events participants during emergencies.

# SAFETY MEASURES

- **EVACUATION EXITS**

Evacuation plans are distributed in all halls and public premises of Mercure Congress Centre. It takes 3 – 3,5 mins to go down the stairs to the equipped shelter.

- **SAFETY EQUIPMENT**

All premises at Mercure Congress Centre are equipped with alternative electric supply, powerful ventilation system, smoke detectors and fire extinguishing system.

- **UNDERGROUND CAR PARKING**

Event visitors may leave their private cars in an underground parking located on -1 & -2 floors of Mercure Congress Centre.

# SAFETY IS ABOVE ALL!

Safe business or culture event concept provides maximum protection and comfort for the visitors of Mercure Congress Centre.

**We believe in our victory!**  
**Looking forward for peaceful and happy times!**
